

I'm a multifaceted designer focused on elevating user experiences with human-centered digital spaces.

EXPERIENCE

Product Demonstrator | PUSH Agency

Nov 2021 - Jan 2023

- Engaged and educated convention attendees on the latest products through face-to-face interactions and successfully illustrated their features and benefits to increase public interest.

Architectural Design Associate | LTRD Corp.

Jan 2022 - Sept 2022

- Improved architectural drawing sets by verifying proper material call-outs and making plan revisions resulting in a significant decrease in requests for information from contractors and faster turnaround time.
- Collaborated with team members to assign roles and prioritize tasks, ensuring the timely delivery of high-quality drawing sets.

Tile Installation Associate | Bristlecone Tile & Stone

Sept 2015 - Jun 2020

- Conducted installation quality checks by verifying alignment and surface conditions to minimize rework and ensure alignment with customer needs.
- Minimized material waste and increased work efficiency by assessing logistical details, including site conditions and installation specifications.

EDUCATION

Designlab UX Academy

UX/UI Designer Certification | 2024

University of Nevada, Las Vegas

B.S Architecture | 2021
